'New World New Body Language' is the mantra for this **Third Edition** of **Body Language**. Soft skill is the most sought after word today in the field of management. The nurturing of 'soft skills' and the furthering of individual growth come under one such modern-day demands. Ever since the last edition of this book in 1998, there have been dramatic societal changes, owing to the increased use of the Internet. This edition factors in these changes. With illustrations depicting body positions, Hedwig Lewis aims at a systematic, in-depth and comprehensive approach to non-verbal communication in general and body language in particular.
