Corrupts Absolutely? Dark Metahuman Fiction

The only family member to survive the 9/11 attacks. A sidekick-turned-construction-worker. The teenaged products of an institute for unwanted metahuman children. The man who can make anyone do anything. Are they heroes? Are they villains? Sometimes they're both. Often, even at the same time. *Corrupts Absolutely?* collects twenty brand-new stories from veteran authors and newcomers, each with a unique perspective on what it might really be like to be superhuman in today's day and age. In the center of such a roiling mass of uncertainty and excitement lies one important truth: the fight against good or evil is never as important as the fight for or against oneself.
