The Authentic Musician John Haddix

Being an authentic artist or musician means more than just following the status quo in the arts world. There are too many examples of destroyed lives and relationships to assume you will not become disillusioned if not defeated as an artist. This book explores what it takes to grow in your skill development and presentation, as well as how to find lasting purpose and fulfillment as an artist. It also explores the purpose of art and music, how to be in it for the long haul and how to develop authentic relationships.
