In the 60s and 70s, pickup lines were in fashion, but they were soon replaced by hypnotism, Neuro Linguistic Programming etc. Then pickup lines and even hypnotism were mocked. Then techniques, methods and strategies became the so called 'gospel of truth'. Then the whole pickup scene was divided between technicians and 'natural game' proponents. In this book I detail the way you can now forget about all techniques, methods, strategies and even so called 'natural game'.

Using this information will tear down your preconceptions of what is possible with women.
