Tyrants Among Us: How they sacrifice the lives of all living beings like they sacrificed the lives of Marvin Gaye, Princess Diana and Queen Liliuokalani Sophia Wien

The connection between tyranny in the family, dynasty, and nation can be traced throughout history. Indeed, the *pathological few* continue to exert their control over the many today.

In *Tyrants Among Us*, author Sophia Wien is not afraid to expose evil wherever she sees it, unveiling the malfeasance of entitled elites who puff themselves up, demand unearned privileges, and always seem to want more—no matter how much they already have. With brutal honesty, she shows how, incapable of empathy or compassion, cold-blooded despots and sadists are well on their way to forcing a permanent state of terror, trauma, and chaos on citizens across the globe in order to keep the world's knowledge, natural resources, and wealth all to themselves.

This is not the first book to shine a light on these pernicious forces. However, it is the first to bring them all together, provide enlightening psychosocial analysis, and hand the public the necessary tools to meet the enormous challenges ahead.
