Bobby: Red, Hot & Blue (Red, Hot, & Blue Book 6) Cat Johnson

When the reality TV cameras stop rolling, things really start to heat up... Deputy Sheriff Bobby Barton agrees to put up with a reality TV show in his town for two reasons: it'll be good for local business, and the producers promise to keep out of his. Except the show keeps creeping into his personal life. Plus, against his better judgment, he finds himself hoping that the show's assistant producer, Christy Dunne, will creep into his bed.

Christy never mixed business with pleasure, but Bobby has her breaking all her own rules. When she makes a decision that can cost her job, suddenly she's scrambling to keep her career from crashing. Though landing in Bobby's bed might make it worth all the uproar.

With cameras all over town, a meddling executive producer manipulating everyone's lives, their own scruples getting in the way, and the show's deadline looming, Bobby and Christy can't think about love. Then again, how can they not?

Warning: Contains one sexy, brooding, overprotective officer of the law who uses his handcuffs for more than catching criminals.
