Physicians' Desk Reference 2014 PDR Staff

Physicians' Desk Reference has been the authoritative source on prescription drugs for 68 years. Found in virtually every physician's office, pharmacy, clinic, and library, no medical reference is more current, more recognized, or more respected. Now in its 68th edition, PDR contains full, FDA-approved drug label information, including warnings and precautions, drug interactions, and hundreds of full-color pill images. Every label in the PDR includes information on dosages, side effects, and safety information, such as contraindications, pregnancy ratings, and interactions with other drugs, food, and alcohol. Data on clinical trials are also included.
