Uncertain Justice: The Roberts Court and the Constitution Laurence Tribe, Joshua Matz

"Irresistible...A brilliantly layered account of the Roberts Court filled with memorable stories...This book is a joy to read from start to finish."-Doris Kearns Goodwin, author of *Team of Rivals* and *The Bully Pulpit*

From *Citizens United* to its momentous rulings regarding Obamacare and gay marriage, the Supreme Court under Chief Justice John Roberts has profoundly affected American life. Yet the court remains a mysterious institution, and the motivations of the nine men and women who serve for life are often obscure. Now, in *Uncertain Justice*, Laurence Tribe and Joshua Matz show the surprising extent to which the Roberts Court is revising the meaning of our Constitution.

This essential book arrives at a make-or-break moment for the nation and the court, and the court's decisions on key topics-including free speech, privacy, voting rights, and presidential power-could be uniquely durable. Tribe, one of the country's leading constitutional lawyers, and Matz dig deeply into the court's rulings to deliver original insights and compelling human stories. In the end, *Uncertain Justice* illuminates the most colorful story of all-how the Supreme Court and the Constitution frame the way we live.
