Startling and fresh. . .ripe with originality. --*San Diego Union-Tribune*

Three years after leaving Lake Gormlaith, Vermont, Effie Greer is coming home. The unspoiled lake, surrounded by dense woods and patches of wild blueberries, is the place where she spent idyllic childhood summers at her grandparents' cottage. And it's where Effie's tempestuous relationship with her college boyfriend, Max, culminated in a tragedy she can never forget.

Effie had hoped to save Max from his troubled past, and in the process became his victim. Since then, she's wandered from one city to another, living like a fugitive. But now Max is gone, and as Effie paints and restores the ramshackle cottage, she forms new bonds--with an old school friend, with her widowed grandmother, and with Devin, an artist and carpenter summering nearby. Slowly, she's discovering a resilience and tenderness she didn't know she possessed, and--buoyed by the lake's cool, forgiving waters--she may even learn to save herself.

Wrenching yet ultimately uplifting, here is a novel of survival, hope, and absolution from a writer of extraordinary insight and depth.
