With this twelve-volume series, Westminster John Knox Press offers one of the most extensive and well-respected resources for preaching on the market today. The twelve volumes cover all of the Sundays in the three-year lectionary cycle, along with moveable occasions. The page layout is truly unique. For each lectionary text, preachers will find brief essays--one each on the exegetical, theological, pastoral, and homiletical challenges of the text. Each volume also contains an index of biblical passages so that nonlectionary preachers may make use of it.
