Wide receiver, Mateo De La Fuente was out of control. One more misstep and he'd be cut from the team. In a last ditch effort to save his career; Mateo's agent and PR team devised a plan to restore his image. He had to get engaged.

Caprice Taylor was hired to play a part. Acting callous and uncaring went against her moral fiber; but with the contract signed and bills to pay, she had no choice. Lying about herself, being someone she wasn't, quickly took an emotional toll. One last event and she'd finally be free. The charade was coming to an end.

Except...nothing ever goes as planned.

Happy to be nearly done with the woman who had made his life hell, Mateo was floored when he learned the truth. Who was the real Caprice? Thoughts of ending it with her were quickly set aside as he discovered the real her. This time around Mateo gradually started to lose more than his head as things heated up between them.
