## Spent - Part One (Bad Boy Fighter Book 1) Elise Holland

Luke Richards is a force to be reckoned with, and having struggled his way through the ranks, his time as a pro MMA fighter is finally within his reach. Yet something in his past is holding him back from true greatness, and when he's showered with powerful blows during a fight against Derrick Baptiste, his journey seems to be ending before it's barely begun.

Tasha Hendricks finally has some control over her own life after growing up in an abusive home. She's in college and has a job that she enjoys, but something is missing. When she watches Luke Richards competing in a match against her boyfriend, Derrick, Tasha's life completely changes.

And when Luke shows up in Tasha's college a week later she knew right away that she wasn't going to be able to stop herself from trying to learn more about this mysterious guy.

A steamy evening sends Tasha's world into upheaval, and when Luke's past unexpectedly comes calling, Tasha is left trying to figure out if Luke is really the man she thinks he is.

Is she making the same mistakes all over again?

The problem with a love like this is that the more secrets that are kept, the more latent trust issues start bubbling to the surface, threatening to break apart the fragile relationship Luke and Tasha are trying to create. One thing for certain, there's going to be some heartache before this is all over.
