The Case Of The Tattooed Buttocks: An Inspector Cullot Mystery Alan Hardy
A DETECTIVE/MURDER MYSTERY LIKE NO OTHER...

Following the murder of a sexy, blonde bombshell (and, soon after, the bloody, gruesome, shocking murder of yet another sexy broad), ex-Inspector Cullot is called in to team up with his old side-kick, Detective Sergeant Watkins, to investigate the baffling crime. Together they set about solving the mysterious deaths at Bounderdales, the opulent mansion of the oil magnate, Henry Barble. A small group of the rich, decadent, sophisticated and ultra-sexy are staying at the mansion. What secrets are each of them harbouring? Who are the guilty parties? And what is the dark secret from his own past which causes Cullot's frequent moments of dark despair? Why did he leave the Police Force? Did he jump, or was he pushed? Why does he now work in a department store, in Ladies Underwear? The police constable first on the scene of the initial murder, PC Blunt, is ready to record every detail of the case, and assist his colleagues in their work. But what is his own past..? Is he as half-witted as he seems? What about gorgeous, sexy blonde bombshells, Stephanie and Gloria? And louche, limp-wristed Anthony Newhome? And Barble's son, Oswald? And Barble's demure, bespectacled secretary, Abigail? And ex-movie star, Janice Butler? Are they all who they say they are, or are some of them involved in a deadly game of murder and revenge? How are these murders linked to the unsolved Night-Club Hostess Murders which took place two years earlier? And, most puzzling of all, what is the meaning of the tattoos on the gorgeous buttocks of the assembled ladies? Thrill to the suspense, the heart-ache, the twists and turns, the laugh-a-minute of this hilarious, baffling mystery. Get ready to follow the roller-coaster plot, with one surprise after surprise, and scintillating word-play and sparkling dialogue between the marvellous host of characters. Will you be able to work out who did it? A detective/murder mystery like no other...
