"Ms. Kenley writes one sizzling Cinderella! Her sexy imagination improves a classic fairy tale." --Ashlyn Chase, bestselling author of the Flirting With Fangs series Cinderella meets 50 Shades of Grey in this grown-up fairy tale. What if Cinderella didn't want to marry the Prince? And what if she discovered that a man who was in control of his public life enjoyed surrendering that control in the bedroom? Mariella needs a husband to gain freedom from her stepfamily. Teodor needs a wife to keep his crown. When they meet at the balls, Teodor is captivated by Mariella's, intelligence, humor and sexual openness. Thrilled to have found a woman he could see spending his life with, he proposes, only to have Mariella turn him down. Mariella has been trapped in one bad situation and refuses to exchange it for another. Still, Teodor intrigues her, so she offers a proposal of her own that will allow her dominate him and to enjoy him in her bed while keeping him out of her heart. Unbeknownst to them, there is another who wants Teodor's crown and will stop at nothing - not even murder - to get it. Happy ever after is never really as easy as wishing for it. First published in 2007, readers are finally ready for this adult bed time story. "Riverdale Avenue Books' Publisher Lori Perkins took a chance on The Glass Stiletto when I first submitted it to her and was the only publisher I'd met willing to consider a femdom novel," explained romance author Rachel Kenley. "Even now, in most published BDSM stories, the hero is the dominant and the heroine finds her joy - and strength - in submission. The heroines of fairy tales are always having such a tough time of it that I thought it was time for them to have the chance to be in charge, and Cinderella was the first to come to mind as a character who deserved a stronger role." Try on this glass slipper of a femdom Cinderella tale!
