What's a shapeshifter to do when the man he desperately wants is allergic to him? Raymond Marvels never imagines his call to the IT department at his graphics design job would result in his meeting Lou Canis, the most gorgeous man he's ever seen. There's one small problem, though--Ray is allergic to Lou. Yet his allergy is only one of the weird things going on between them. Lou, a werewolf, isn't sure how to fix the situation, because it seems his would-be lover's allergy is to Lou's human form and not his canine one. Lou decides to tell Ray his deep dark secret, which has unexpected results when Ray embraces both sides of Lou. Yet after a witch doctor gives Ray some medicine to solve his problem, Ray and Lou discover they must also face a dangerous conspiracy evolving around them...
