Bold-Faced Lies: The Wisdom You Never See Jean-Claude Ramey

"Bold-Faced Lies: The Wisdom You Never See" is a collection of rhythmic poetry. The author's style is unorthodox in approach when compared to traditionalist views and similar reflections held among modern contemporaries. This work meditates on the aesthetics of art as a feature of working with prose through poetics. For proofreaders, the experience will feel like a maze; but for reading enthusiasts, journeying through this chapbook will help them disappear into an intimacy of thought where "words" make us feel foreign and vulnerable to our own ways of thinking and viewing the world.
