It's been eighteen months since Ava Torres last saw her best friend, Jared Thurston. In that time she's been married, separated and gone all the way to hell and back as a wife. She keeps her emotional scars buried deep beneath the surface, loath to let the world know they exist.

Jared had no choice but to leave Sydney. The alternative meant staying and watching the woman he secretly loved marry another man. Now it's time to go home and pick up the pieces of his broken heart.

Ava is both thrilled and thrown by Jared's unexpected return. While seeing him brings true happiness for the first time in months, it also presents a new batch of problems. Jared won't let Ava hide from her pain any longer, nor will he let her hide from him. He's determined to show her that true love doesn't just exist in fairy tales. If Ava is willing to fight for it, together they can find their very own happy ever after.

Warning: Please don't go thinking this is your regular fairy tale. No one under the age of 18 should be reading the tale of this ridiculously sexy Prince Charming.

(This book is the third in the Sunday Night Dinner Club series. Although each book stands alone, they can be better enjoyed read in order.)
