MENAGE FIRST TIME ROMANCE

30 hot and yummy bonus stories included in this book!

Lily doesn't get into these sorts of situations. She's always been a good girl, the kind who kept her clothes clean and got straight As in school, and she's spent the years ever since working dutifully as a secretary. Kind and gentle, Lily is the sort of person everyone wants for a friend.

Unfortunately, the same cannot be said of her boss. Intelligent and successful, James Dominick has always craved success—and when possible, he makes sure other people bear the cost of his actions. So it's hardly a surprise that when hit-men show up to take him out, James has disappeared...and the only person in his house is Lily.

Kidnapped and terrified, Lily has become determined to talk her way out of this. The gang that's captured her can't possibly be so ruthless as to kill an innocent woman, can they? In fact, she'd bet that Liam and Cameron, the ringleaders, are a lot nicer than they want to admit. She's pretty sure they don't want to kill her.

And Lily is exactly right. Liam and Cameron don't want to kill her. Not at all. What she doesn't know? They've both fallen for her...and Liam and Cameron have always shared everything. If she's not careful, Lily is about to discover just how good it can feel to be bad.

Author's Note: Story contains mature language and themes, intended for adults only!
