Let's be honest it is unfair that we have to pay over \$200 to get good quality tv so we can watch our favorite shows or sports. Well don't worry, I have the solution.

In this book you will find a complete list of FREE websites and apps that will allow you to stream any movie(even ones still in theaters) and any shows that you'd like to. It will also teach you how to watch live sporting events and pay per view ppv completely free! No more paying insane amounts of money to watch what you want to. This book is all you will ever need to watch anything anywhere.

Now most people cancel their cable or satellite and get netflix or hulu. Now the problem with that is that it can take up to a year for netflix to get a new movie on it, and hulu is only good for shows and only offer the last 4 episodes of the shows, THAT'S IT! In this book you will learn about apps and websites that have EVERYTHING that netflix and hulu have plus thousands more! Movies that are in the theaters, shows that aired 10 minutes ago, no matter what it is, you will be able to find it with at least one of these websites or apps!

In this book is a list of websites and apps that you can use to watch anything you want! I give a detailed description of each one and tell exactly how to download/use it. All of this is completely free and legal. If you want to watch any show or movie(including ones in theaters) all completely free then this is the book for you!

Thank you so much for your purchase.
