In the Bedroom Andre Dubus

The seven stories collected here—including “Killings,” the basis for Todd Field’s award-winning film **In the Bedroom**—showcase legendary writer Andre Dubus’s sheer narrative mastery in a book of quietly staggering emotional power.

A father in mourning contemplates the unthinkable as the only way to allay his grief. A boy must learn to care for his younger brother when their mother leaves the family. A young woman who has never lacked lovers despairs of ever finding love itself, and then makes an accidental discovery that brings her real joy. Culled from Dubus’s treasured collections *Selected Stories* and *Dancing After Hours*, these beautiful stories of people at pivotal moments in their lives are some of the most bewitching and profound in American fiction.
