Lesbian Romance: Two Hot And Passionate My-First-Time Stories

First Story: Lesbian Romance: Her Name Was Maria And She Was My Boss: The Story Of My Seduction

I arrive at my friend's wedding, a shy nervous kinda young woman. I leave knowing exactly who I am and where I want to go in my life. What happens in between?

Sharing a bedroom with two females who welcome me, and soon begin to direct my life in the best possible way. I hear them making out in bed, and feel embarrassed the next day. But, when they find me crying because of the pervy old boyfriend, I soon discover a whole new me.

Second Story: Lesbian Romance: How I Lost Hope Then Found Myself

I've worked hard at getting qualified, and I'm excited at my new job. When my husband cannot join me, I find myself on a company jet with my female boss, going to my first assignment.

Little do I know how closely acquainted I am about to become with Maria, my boss. Not only do I

experience my first ever “69” position, but I also discover that I like sex with women, just as much as I do with men, I think...

Maria is a bisexual, and an experienced woman in life. She’s rich, accomplished, knows what she wants and takes it. I’m attractive and young, but I’m nowhere near as confident as my new lesbian partner. She soon has me between her legs, as she is between mine, teaching me all I need to know.
