Darkness Rises

Pain is inevitable.

Darkness is blinding.

Revelations can burn one's soul...

Recovering from their loss, Jimmy and his friends must now plan for their coming battle against Devish, the last of the true Blood Walkers, before he makes his first move. To do it, Jimmy needs to relive his pain, and remember the truth about who he really is. If he can do it, he can free everyone from the darkness that is haunting all of their pasts.

Can he lead them to fight for the world?

Before he can, he has to solve a major problem. How can he fight against an enemy who knows him better than he knows himself?

A Werewolf's Saga

When the world began, the human race lived as nothing more than cattle. A great group of creatures ruled the world. A small band of humans with great powers emerged from the chaos, and with them, the human race fought for their right to live. When they won the world, the creatures turned to walk the night and the humans won the day. But in the shadows, the darkness lingered. A great evil lived and with it, the Black Wolf has returned...a powerful being with something no other Werewolf or Vampire had ever possessed...a soul.
