## **Old Turtle** Douglas Wood

Wood's celebrated, bestselling fable of ecology and spirituality, reissued in March 2007 with a beautiful new jacket design.

Long ago, the animals, rocks, waters, and trees of the earth began an argument about God. Is He a wind who is never still? Is He a rock that never moves? Is He high above or here among us?

Venerable Old Turtle quietly answered: God is all of these things.

In 1992, Old Turtle burst upon the publishing world as a uniquely satisfying fable about ecology, peace, and the interconnectedness of all beings. Few books can match the understated, universal power of its hopeful message. The beautiful repackaging Scholastic is releasing in March 2007 makes it the perfect gift book.
