A Life Not Worth Living Mark davies

I have never believed that one person could hold so much power to another person's life.

I have lived with depression for so many years of my life that it has become my life.

If someone cannot love you for who you are inside, and not the way you live your life, then they don't deserve your attention.

I will never return to life, and I will never hold a presence again for all eternity.

Never feel like you have nothing to live for, there is always someone who loves you so much that tears will come with your death.
