This book was read by every member of the church that I have attended for many years and the people at the church loved and praised the book. One member went as far as taping a couple of pages from the book on his wall as a daily reminder. The children at my church started referring to me as "Little Moses", and my Pastor said "I am jealous. My wife absolutely loved your book!"

A Sermon to Remember by Wayne Hoss is an awesome audiobook about love, life, God, sin, prayer, goals, faith, leadership, problem children, and much, much more. Do you have a purpose in life? Listen to this book to help you figure out what that purpose might be. A must-listen for anyone who is in a leadership position at work, or anywhere else for that matter, including parents. The Leadership and Parenting chapter in this book is remarkable!
