Blood Bond #3: Gunsight Crossing William W. Johnstone

Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the halfbreed's life, forging a bond no one could ever break. As years passed, a legend grew of the breed and the white man who rode together--and who could jerk killing iron with the best of them...

It certainly won't be the first time they use their Colts to deal out death sentences in burning powder and hot lead--but if they're not careful, it might well be their last...
