He offers to become her Daddy and introduce her to the delights of the new world she craves to belong to in return for being allowed to love, protect and cherish her in every sense.

Can Gabrielle allow herself to submit willingly to the dominant man and the power he wields or will she forsake her needs to accommodate others yet again and let her chance to have all that she wishes for slip away?

Publishers Note: Daddy's Rules: Worship is the second part of a series but can also be read as a short stand alone book. It features age play, spanking romance, Domestic Discipline and elements of BDSM.
