**Dr. John Chung's SAT II Math Level 1: 10 Complete Tests designed for perfect score on the test.** Dr John Chung M

This book is created to help students to receive a perfect score on the SAT II Math level 1 test. For the students who are preparing for the test for the first time, this book may be a little difficult. But if you really want to get a perfect score, surely you must complete this book. To achieve a perfect score, most importantly, students need at least two times more knowledge than the material typically covered for the test. For example, if you want to become a professional, then actually you should have more skills than amateurs. Mastering the complex mathematical theories and concepts included in this book will make the problems easier. This book is designed to help students to achieve a perfect score by fostering students' mathematical abilities as they successfully complete this book.
