Late for School

Steve Martin

Late for School Steve Martin

Getting to school has never been quite this difficult--or hilarious. Celebrated writer and performer Steve Martin and dynamic artist C. F. Payne (illustrator of John Lithgow's children's books) have teamed up to tell a story of the adventure, danger, and laughs of the journey to school. Enclosed with the book is a CD of Martin on banjo and vocals, singing the book's story with a bluegrass twist.

Undoubtedly a new classic for readers of all ages, *Late to School* is the perfect gift to be read--and listened to--again and again.

From reader reviews:

Jennifer Byler:

As people who live in the particular modest era should be upgrade about what going on or details even knowledge to make these individuals keep up with the era and that is always change and move forward. Some of you maybe will certainly update themselves by studying books. It is a good choice for you personally but the problems coming to a person is you don't know which one you should start with. This Late for School is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Josephine Lowe:

A lot of people always spent all their free time to vacation or maybe go to the outside with them family or their friend. Are you aware? Many a lot of people spent they will free time just watching TV, or playing video games all day long. If you want to try to find a new activity that's look different you can read any book. It is really fun in your case. If you enjoy the book that you read you can spent the entire day to reading a reserve. The book Late for School it is extremely good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. In the event you did not have enough space to develop this book you can buy typically the e-book. You can m0ore simply to read this book through your smart phone. The price is not to cover but this book has high quality.

Edna Barnett:

Your reading sixth sense will not betray you actually, why because this Late for School e-book written by well-known writer who knows well how to make book that can be understand by anyone who also read the book. Written within good manner for you, leaking every ideas and publishing skill only for eliminate your hunger then you still question Late for School as good book not just by the cover but also by content. This is one publication that can break don't judge book by its deal with, so do you still needing another sixth sense to pick this!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to another sixth sense.

Martha Lockridge:

Is it an individual who having spare time and then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This Late for School can be the answer, oh how comes? A book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
