Michael's Heart (Pack Mates series Book 4) Lynn Tyler

Michael and Justin have both been hurt in the past, but when these two solitary, lonely shifters find each other, they must decide if they're willing to risk everything for love. Lynn Tyler presents *Michael's Heart*, Book 4 of her paranormal romance series, Pack Mates.

Michael Ferris lives a solitary life, even as a werewolf within the confines of the Smooth Rock Falls pack. Not willing to risk getting hurt again, he's built an impenetrable wall around his heart that only a few had even a chance of chipping away at. His job as a firefighter helps to keep his mind off his solitude for a while, but when he meets the right guy, Michael doesn't know if he can let him in.

Justin Blake isn't lonely by choice. In fact, he's not even aware of just how lonely he is until he lays eyes on the handsome firefighter. As the shifter negotiator, Justin finds himself hopelessly drawn to Michael while helping to ease new shifters onto pack lands.

Can two hurting, lost souls heal each other, or will fear keep them apart even as the Smooth Rock Falls pack grows larger?
