Prophetic Evangelism Made Simple: Prophetic Seed Sowing Matthew Robert Payne

Matthew Payne certainly has quite the ministry and knowledge of Prophetic Evangelism and in his new book Prophetic Evangelism Made Simple, he showcases it all in a nonthreatening, accessible format. If you have ever wanted to get into the Biblical habit of prophesying, then this book is for you. If you have ever heard the voice of God, then you need to pick up this book. Payne even makes a rock solid argument why every Christian should learn to walk in the prophetic and practice prophetic evangelism in everyday life, and it's surprisingly easy. Payne lays out a step by step approach to prophesying on the streets, giving guidance to the inexperienced and encouraging the experienced to continue in the Lord's work. Payne takes you through his own personal journey on the way and shows you how to overcome fear, inexperience, and the lies you have told yourself or others have told you. The book ends in an unconventional, yet special way. After he prays a special impartation prayer, Payne gives his own personal email address and Facebook page for you to contact him and practice your newfound skills in prophecy on him. Payne highly recommends both the books called "Prophetic Evangelism" by Mark Stibbe and Simon Peter, also. "Prophetic Evangelism Made Simple was unusually straight forward and understandable for a book dealing with such a complex topic. I think that anyone would be able to understand the text, even someone that has just heard the Gospel message." Jeannie Ingraham Religion and Philosophy writer: Global Intrigue. Matthew respectfully asks if you have been blessed by this book that you might consider writing an honest review on Amazon to encourage more readers to download it
