"Gleason is really on a roll!" -- Publishers Weekly

The saga of Victoria Gardella continues as the glorious nineteenth-century city of Rome gives rise to a new threat from the immortal undead....

Lady Victoria Gardella Grantworth de Lacy has been a vampire slayer for just over a year, balancing her life as a peer of Society with the dangerous role that takes her out on moonlit streets, stake in hand.

She has learned brutal and heartbreaking lessons about the sacrifices that must be made in order to save humanity from the evil that secretly preys upon it, but she has not wavered in her vow to fight on.

Now, in Italy, a powerful vampire is amassing the power to control the souls of the dead. As Victoria races across Europe to stop what could be the most deadly army the Gardellas have ever faced, her unlikely companion is Sebastian Vioget--a man as tempting as he is untrustworthy.

But when Victoria discovers she has been betrayed by one of her most trusted allies, the truth will challenge all her powers as a Venator...and as a woman.

Praise for The Gardella Vampire Hunters:

"...turns vampire stories-and romances-on their ear." --The Detroit News

"With its wonderfully witty writing, action-infused plot and sharply defined characters, Rises the Night is deliciously dark and delightfully entertaining." -- The Chicago Tribune

"A tense plot line and refreshingly diverse supporting characters complete the package, giving series fans plenty to sink their teeth into--and plenty more to look forward to." - Publishers Weekly

"...Heart-stopping scenes and sexual tension. With numerous twists, [Gleason] leaves you hanging, eagerly awaiting the next installment." - Romantic Times
