The first-ever English adaptation of the critically acclaimed European science-fiction epic continues! After having survived their space shipwreck and saving Callista and the other passengers, Granite and Navarth turn their attention to keeping themselves and their fellow castaways alive. Setting off to search for food and explore the planet, their quest takes a near-disastrous turn when the monk Feng Tao mysteriously disappears. They're now on their own as they continue to venture through these strange lands, hoping against hope the secrets of survival on Ythaq will be revealed to them
