Genius writer Alan Moore created a graphic novels landmark with his Swamp Thing series. Now a new and vibrant creative team look set to continue his standard...With the power of The Light under his control, even Swamp Thing may not be able to stop the evil Arcane...not without paying an unimaginable price. With Swamp Thing struggling to make sense of his shattered life and the town of Houma recovering from all the horrors of its past, a strange "preacher" appears, offering a macabre salvation to the town's people. But his true agenda may be too frightening to contemplate. A worthy successor to an already legendary series, this is gothic horror as deep, dark and savage as the swamp it's set in!
