Helicopter Rescues Vietnam Vol II Phil Marshall

4th in a series of daring helicopter rescues by the author, this Volume II continues the legacy of young...sometimes very young...helicopter crews and their rescue missions. Sometimes they were successful and sometimes, unfortunately, they were not. The crews performed these rescues virtually on a daily basis, so that others may live. These stories will strengthen the definitions of brotherhood and devotion to duty. Duty, Honor, Country. Leave no one behind...it was their job!
