## **Maid of the Mist** Colin Bateman

Nothing much ever happens in Niagara Falls. It is a sleepy town full of honeymooners and tourists, and that's how Inspector Frank Corrigan likes it. He saw enough trouble as a cop in Northern Ireland. Now he's happy dealing with parking offences and the odd drunk, although since his wife has left him and taken their daughter, 'happy' may not quite be the word. But then a reincarnated Native American princess by the name of Lelewala canoes over the Falls and survives. Or so she says. And Frank falls in love. And finds himself confronting the greatest terrorist of the age at an international gathering of drug dealers. And then the music starts... Funny, moving, crazy, dark and thought-provoking, this is Bateman at his brilliant best.
