Managing Your Doctor: The Smart Patient's Guide to Getting Effective Affordable Healthcare Patrick Neustatter MD

Getting effective, error free affordable healthcare is challenging. Managing Your Doctor is here to help. An information overload no doctor can keep up with; endless manipulations by drug and medical device companies; a take over by profit seeking corporations; laws that disadvantage the patient; an epidemic of medical and billing errors combine with the ever increasing complexity of medicine all contribute to the problem. The antidote is the right information – which this book provides, divided into sections on getting the right doctor; diagnosis; information; treatment; price; future; even the right death (as terminal care is notoriously badly handled) and advice on a home medical kit.
