Oliver Hayes

The Female Pope - The True Story of Pope Joan Oliver Hayes

For many centuries it was accepted almost without discussion that the priesthood, and pastoral work more generally, was exclusively a male domain. Women had a role within the Christian Church, as nuns or lay workers, but the giving of the sacraments was seen as a male preserve. And yet for centuries rumours and legends have swirled about that one woman did get to be pope in Rome. The Catholic Church has always denied the stories, but they refuse to go away.

It is now time to look anew at these old stories and try to discover the truth that lies behind them.

In this book Oliver Hayes looks at the legends of a Female Pope and uncovers the startline truth that lies behind them.

Contents

Foreword

Chapter 1 - The Legend of the Female Pope

Chapter 2 - The Legend under Scrutiny

Chapter 3 - The Real Female Pope
