## **Wolf Scent (Mountain Wolves Book 1)** Isabel Dare

Kirk Anderson likes living alone in his mountain cabin, or so he tells himself. He's a monster, after all. How would he ever find a man who can deal with his other self--the wolf?

When a reckless young hiker named Leo gets his leg caught in an old bear trap, Kirk rescues him, tracking him down by scent alone. While Kirk takes care of his injuries, Leo's bright, sunny presence slowly wears down all Kirk's defences. But as the full moon rises, Kirk struggles between the urge to protect Leo and the demands of the wolf, who wants only one thing: **to claim his mate...**

The first book in the *Mountain Wolves* series, *Wolf Scent* is 30.000 words long.
