After losing her father, Emma Bennett moves to her aunt's small town of Westport to finish out her senior year of high school. Emma wants to forget the pain and loss of the past few weeks, finding relief in the company of Ben Parker—a local boy who she has an instant attraction and uncanny connection with. When Ben seems a little too preoccupied with other responsibilities and has no time for her, Emma turns to the town's hottest flirt—Lucas Crandon—for affection. Unfortunately, she realizes a little too late that, sometimes, bad boys really can be bad for you.

Life as an undercover agent for the Afterworld's Bureau of Investigation isn't an easy job. When Ben Parker finds his soul mate, Emma Bennett, in a small town, he finds himself forced to choose between doing his job or rekindling a relationship with the love of his existence. After Ben is notified that a notorious immortal is loose somewhere near Westport, he realizes that his love life will just have to wait. There is a criminal to apprehend before he can have his girl.

When lives are at stake and immortals are on the loose, can two soul mates find their happy ever after?
