Duquesne University - College Prowler Guide (College Prowler: Duquesne University Off the Record)

Jonathan Doctorick

Introduction from the Author

Choosing a place of residence and learning for the next four years of your life can truly be an exciting, if not occasionally unnerving, task. Many factors came together to influence me into choosing Duquesne University. At the time, the location, facilities, and available areas of study proved Duquesne a good home for four (or more) years.

What first strikes visitors to Duquesne is the overall beauty of the campus. Although Pittsburgh's skyline is visible anywhere on University grounds, one would never think Duquesne could lie in such an urban setting. It seems a world all its own. However, a student's entire university experience will weigh upon much more than just the campus's appearance.

Although I have come to appreciate the quality of the education I receive at Duquesne, I think I would have liked to learn more about it before I made my final decision. It is often helpful to read independent opinions of the services, facilities, and education provided by a college or university. Turning back the clock, a College Prowler guide to Duquesne would have been a godsend in my search for the perfect school.

Am I confident I made a correct choice in selecting Duquesne? Yes. Do I think that Duquesne offers a fantastic university atmosphere? Most definitely. Do I believe that Duquesne has much to improve upon? Of course. During my search for an institute of higher learning, I was not aware of many of Duquesne's and the other prospective schools' faults. This guide should help shed some light on the negative aspects of this university as well as the positives.

So, let us begin. As you read this guidebook, keep this question in mind: do you want to spend the next four years of your life—along with thousands of dollars—at Duquesne? Hopefully, this guide will present you with an unbiased look at everything this university and the city of Pittsburgh has to offer. If, after reading it, you decide Duquesne sounds like a place you want to be, come visit, and put your knowledge of the campus and city to use. If you discover through this guide that Duquesne simply does not have what you are looking for, I am sure an acceptable college or university will cross your path.
