Grandma's Bed Stories Story: Volume #1 William Donahue

This book is designed to be read to children or by children, young adults or by anyone who enjoys reading. It is the story about a very old and unusual bed that has been all over the world. After living in many famous hotels it is now owned by a lovely elderly lady. To her grandchildren and those close to her she is known as "Grandma." Her grandchildren always wondered how that many stories could have come from such a small book. The book had no title or pictures on the front cover and Grandma never shared pictures from inside the book, for there weren't any. The children try to find the book while Grandma is out, however, the book is never found and only seen at bedtime, and only in Grandma's hands. Grandma's granddaughter unlocks the secret after Grandma's death. The bed was the storyteller all the time. The children and anyone else hearing the stories (including Grandma) were hearing them for the first time. Volume one, part one is the beginning of and explanation of Grandma's Bed as the storyteller. The stories only it would know because of the places it has been. The stories have many twists and turns. These are stories of happiness, sadness, compassion, surprise, tenderness, suspense, etc. Granddaughter Melinda takes over Grandma's bedroom and Grandma's role as the reader of the bedtime stories. The children quickly gather to hear a new story at Grandma's bedside every night. Part two, a ballplayer who never gets full credit and part three, a secret romance.
