Imperial Japanese Gardens

Ted Scott

Imperial Japanese Gardens Ted Scott

This book is meant for formal and casual students of Japanese gardens. Few people have had the opportunity to visit Japanese gardens over the course of several decades, as I have done, and to make photographs of their broad vistas and various details, learning from experience of their innate beauty. The text, photos, and captions herein contain a wealth of information about various aspects of Japanese gardens and architecture. This book represents a valuable resource for the serious researcher, the passionate gardener, and the merely curious onlooker.
