My Billionaire Cowboy: A BWWM Romance Nicki Williams

Georgia Williams thought everything in her life was perfect until her boyfriend of five years walked out on her for a job promotion abroad. Feeling alone and confused she accepts a job offer at the Texas Oil Refinery. She needed a change, but what she found was more than she had bargained for. She was accustomed to the fast paced life of the city, and the laid back cowboy named Connor Jacobs she met when she signed up for riding lessons was everything she never even dreamed of. She finds herself growing more attracted the more time she spends with him, and she fought hard to resist the temptation of another heartbreak. She thought she had everything planned and under her control until she stumbles across some news that would disrupt everything she thought she knew. Connor has a secret. Even as she tried to face her present, her past caught up with her and in a bid to escape, disaster struck. Now Georgia had to decide whether to return to life as she knew it, or face the challenge that awaited her in the arms of the cowboy from Texas.
