Void of Course (Penguin Poets)

Jim Carroll

Void of Course (Penguin Poets) Jim Carroll

In 1973, at the age of twenty-three, **Jim Carroll** burst upon the poetry scene with his first collection, **Living at the Movies**, a book of vivid and inventive verse that won him comparisons to everyone from **Arthur Rimbaud** to **Frank O'Hara**.

Carroll's first new book of poetry in more than a decade, **Void of Course** presents work composed over the last two years. His major themes--love, friendship, desire, time and memory, and, above all, the ever-present city--emerge in an atmosphere where dream and reality mingle on equal terms. These seventy-seven poems range from graphic, sensuous shorter pieces to edgy stream-of-consciousness prose poems to longer, more contemplative works such as "While She's Gone," an eerie tour de force of longing over a departed lover. **Void of Course** establishes that Carroll's power and purity of vision are stronger than ever.
