Jazmine is on a church trip. Can her billionaire neighbor make this good girl naughty?

Jazmine is a smart, driven young black woman on a missions trip to South Africa. What she expected was a vacation with some hard work now and then. What she got instead was a mother deathly ill and more stress than she's ever dealt with.

When her wealthy neighbor finds her distraught, he brings her home to make her soup. Not realizing she's never had alcohol before, he offers her some wine and she doesn't react well to it. The next thing she knows, she wakes up in his bed.

Will Jazmine accept Richard's interest in her? Is Richard really willing to settle for someone so much younger than him? Can love grow in a foreign country before both of them have to go home?
