My Heroin Story: A Tale of Addiction and Prostitution that Led Me Down the Path of Self-Destruction & My Long Road to Recovery Brianna Murphy

The author, a recovered drug addict, paints a devastating portrait of her rapid descent down the staircase of self-destruction, driven by the diabolical devil himself: heroin. Her descent into the abyss of addiction is marked by extreme loneliness and severe desperation...prompting her to resort to actions she never dreamed she would undertake. Only within the pages of this book will you discover the depths one will resort to when the devil has you by the throat and how to, finally and miraculously, walk away from the edge of doom.

I've had a rough life. I can't imagine my story is something many people will be able to relate to, so I think this book will be read sort of like a movie to most. Heroin addiction, prostitution, pain and a lot of suffering. For the few who also want to learn how I recovered from an addiction that almost took my life, this book will show you the way. It will teach you how to find strenght even when you feel like all hope is lost.

This is my story.
