C. S. Lewis, C.S. Lewis

Poems C. S. Lewis, C.S. Lewis

"This is the best—the glorious best—of Lewis. For here, with the gemlike beauty and hardness that poetry alone can achieve, are his ideas about the nature of things that lay behind his writings."—*Christianity Today*

Known worldwide for his fiction and philosophical essays, C.S. Lewis was just as much a poet as a polemicist. From the age of fourteen, he wrote poetry on just as many subjects as he covered in his prose, and in fact poetry is even present in his other writings, such as the short lyrics included in *The Pilgrim's Recess* and *Till We Have Faces*, which began its life as a long poem. Whether writing prose or poetry, Lewis's "wonderful imagination is the guiding thread."

That imagination is on display in *Poems*, with works covering the many varied subjects Lewis was interested in his whole life, everything from God to nature, love to reason, unicorns to spaceships.

"Take[s] an important place in the Lewis canon."—*New York Times Book Review*

From reader reviews:

Patricia Smith:

Are you kind of hectic person, only have 10 or maybe 15 minute in your moment to upgrading your mind ability or thinking skill also analytical thinking? Then you have problem with the book as compared to can satisfy your limited time to read it because this time you only find publication that need more time to be examine. Poems can be your answer because it can be read by an individual who have those short time problems.

Brian Smith:

Beside this specific Poems in your phone, it may give you a way to get nearer to the new knowledge or data. The information and the knowledge you will got here is fresh from your oven so don't end up being worry if you feel like an outdated people live in narrow commune. It is good thing to have Poems because this book offers for you readable information. Do you oftentimes have book but you seldom get what it's facts concerning. Oh come on, that wil happen if you have this in the hand. The Enjoyable set up here cannot be questionable, such as treasuring beautiful island. Use you still want to miss that? Find this book as well as read it from today!

Russell Hardison:

Is it you actually who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This Poems can be the respond to, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this new era is common not a geek activity. So what these textbooks have than the others?

Ola Hellman:

That reserve can make you to feel relax. This book Poems was vibrant and of course has pictures on there. As we know that book Poems has many kinds or variety. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think that you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading this.
