What really happens when we die? Where do we go?

Is there a life after death? Is there a heaven? Are ghosts real?

Acclaimed Psychic Medium Collette Sinclair has spent more than 7 years interviewing spirits who have crossed over.

Learn the answers to the eternal questions on everyone's minds in Speaking With the Dead, Vol 1. You'll find knowledge for both what awaits us after death, and for while we're living here too.

Though these accounts can be startling, they are above all thought-provoking and will answer some of our most basic questions about life and death; why bad things happen to good people, what happens to good people when they die and what we can expect in death and in the afterlife.

In this short book, Collette has spoken with the souls of three people who died harrowing deaths, including a murder, a drug induced suicide and the final interview in which a bullied young man ended his own life by self-poisoning.

Their riveting accounts will shock you, but as difficult as their deaths were for them, their souls have all found peace in the afterlife.

Collette re-lives their vivid memories as they recount their ordeals through her. Come along on her journey as her first interview tells the details of his brutal murder. Find out what becomes of the man who murdered him in cold blood.

Next, you'll be taken inside the life of a drug addicted youth who kills himself, taking what would be his last step on earth from a balcony.

Finally, meet the youth who had buried the pain and shame of being sexually molested and protected himself with weight gain. His heaviness had another effect: he was bullied mercilessly by his peers. The shame, pain and fear of facing his tormentors cause him to choose to end his own life by drinking poison. He haunts his parents as a ghost until his final startling realization.

These souls lived - and died - in dramatic ways. Their accounts offer us knowledge of events which philosophers have debated for thousands of years. And while our experiences here may be as different as the shapes of snowflakes, our endings are all the same; filled with comfort, love and light and a welcoming of our souls back to our original and true homes - the afterlife.
