iPhone Narrator: Read It Once/Get Paid Every Month: How to Make a Living Recording Audiobooks from Your iPhone and Make It a Bestseller for Free Charles Thornton

Have you ever thought of being an audiobook narrator? Do you know that you can make a living by narrating audiobooks on your iPhone? I will tell you how I create money from my iPhone. You can be an audiobook narrator for free.

Are you tired of working for other people? Do you know that you can build an empire of audiobooks that will be your home-based business? You will become an iPhone narration entrepreneur and attain the passive income lifestyle. You can be the king or queen in short reads, motivation & self-improvement, business and investing, or any categories you want to narrate. This book will be a guide to by pushing you to the end goal, which is narration.

I will not insult you by copying and pasting the step-by-step instructions on how to sign on to the companies that I will tell you about or other common-sense actions mentioned in this book. This is a book that has been carefully designed for people who do not need hand holding. This book is crafted for people who want to do the work and then reap the benefits of their hard work. I am not also going to brag about my success and give you case studies of people making money. I want you to listen to this book then go out and apply these lessons so you make money.

So, if you are looking for the fluff and stories, please don't purchase this book. This book is not drama. This book is about action; that is why it is so short. If you want the ideas and paradigm needed for you to be successful at narrating from your iPhone, then check it out this book.

I continue to learn from my mentor, Dan Harding from *Success Magazine*, and he continues to learn from his mentor, Jim Rohn. With this book, you will discover what Oprah Winfrey, Steve Jobs, Jeff Bezos, and Bill Gates have in common. Find a mentor, living or dead, take notes from them, and apply what you have learned to your life.

Don't ever stop learning.
